25X1A

25X1A

8. [REDACTED] FDD received an award of \$15.00 for a meritorious suggestion proposing preparation of a form for FDD abstracts.

OPERATIONS

1. The 43rd and 44th meetings of the Subcommittee on Exploitation of Foreign Language Publications were held 11 and 25 February, respectively. The review of the scientific and technical program was completed. It was agreed to expand the "Science News Items" to include new organizations, changes in organizations, new identification of scientists and institutions, new assignments of scientists, nominations and election of scientists to academies, awards and Stalin prizes, and deaths of scientists. The rest of the scientific and technical program will be continued as at present.

SECRET

SECRET

The "Selected Briefs From the International Press" was reviewed and it was agreed to remove two categories: Resistance and Sabotage, and Orbit Security Police Activities; these subjects will be covered in the respective area reports. There were no emendations to the draft of the "Foreign Publications Exploitation Review"; the study will be prepared for final reproduction and dissemination by FDD.

The USSR program was reviewed and the following additions or changes were agreed upon: to add a semiannual index of Vedomosti; to eliminate coverage of primary and secondary education and expand coverage of higher education; to add coverage of Sovetskiy Flot to the military report. Working-level meetings will be held to determine whether any local details can be omitted from reporting on domestic trade, and labor and manpower.

The next meeting will be held 11 March; the agenda will be a review of the China program.

25X1A

[REDACTED]

25X1A
